## Civil Nuclear Showcase

Global civil nuclear opportunities begin with the UK

**Register Now**

28 February - 1 March 2017, London

Register now to secure a place at the UK's DIT Civil Nuclear Showcase 2017. With an established reputation in the civil nuclear calendar this is a premier annual event that is not to be missed, providing a unique opportunity to network with a diverse mix of senior delegates from international markets including China, France and Japan.

### Why attend?

- Hear and meet with a fantastic array of international speakers and participants including from China: CGN and CNNC; Japan: NDF and TEPCO; UAE: ENEC; France: EDF and 30 supply chain firms; UK: NDA, ONR and many more
- A [tailored programme](#) will provide valuable insights into the latest developments in the civil nuclear marketplace and help you develop business opportunities
- 1-2-1 meetings with potential overseas customers and partners
- Participate in a series of country briefings and find out about opportunities from DIT specialists

Watch highlights of Civil Nuclear Showcase 2016 visit [here](#).
