

How to find Nuclear AMRC Midlands

We are located on **Infinity Park**, to the south of Derby city centre, between Rolls-Royce's Sinfin site and the A50.

Infinity Park is clearly signed from J3 of the A50, which runs between the M1 (J24/24A) and Stoke-on-Trent.

We are off a mini-roundabout just south of the iHub facility (home of the Rolls-Royce Nuclear Skills Academy).

We have ample visitor parking in front of the building, with overflow parking at the rear. Buzz at the barrier to be let in. Please do not park on the road.
